

TARIFF NO. 010

EFFECTIVE: FEBRUARY 5, 2000

SECTION TWO
GENERAL RULES & REGULATIONS

FMC SUBRULE: 34-A03

FOR EXPLANATION OF SYMBOLS, SEE PAGE 0-A (AFTER TITLE PAGE)

All charges assessed under this tariff are due as they accrue, and invoices issued by the Port are due and payable upon presentation.

Any invoice remaining unpaid the last day of the month following the month billed is delinquent, and the Port users billed will be placed on a delinquent list.

A delinquent invoice is subject to a penalty charge of one and one half percent (1-1/2%) for each month that said invoice remains delinquent at end of the month.

This penalty charge shall be applied for a maximum period of six months subsequent to which the Seaport shall either negotiate an agreement with the Port user for collection of the delinquent charges, if not previously paid, or pursue standard collection procedures.

The Port assigns the responsibility for the collection and payment of all charges assessed on a vessel to the Ship's Agent company authorized by the Seaport Director to file the Request for Ship's Berth Assignment for the vessel. However, in recognition of dockage, wharfage, storage, wharf demurrage, and other bills which may be passed on to the shippers and consignees by the vessel, Ship Agents, when dependent upon a third party for payment of an invoice, shall be allowed an additional month for payment. The Port must be paid according to the terms stipulated in this tariff item regardless of when the Ship's Agent, vessel, its owners or agents are reimbursed. As an incentive, a Ship Agent paying an invoice within ten (10) days of issuance shall receive a one half percent (0.5%) discount off the net amount of the invoice.

The Port reserves the right to refuse the use of Port facilities and services to any Port user on the delinquent list and to demand payment of charges in advance before further services will be performed or facilities used.

Sales Tax

Rates and charges contained in this tariff are exclusive of any sales tax. Applicable sales taxes shall be paid to the Port at the time and by the entity responsible for payment of the tariff charges for which the tax is imposed.
